

ANSWERS TO REQUESTS FOR CLARIFICATION

Addendum #1

03/27/19

Question 1: There is some confusion as to whether the Statement of Qualifications and the Technical Approach are to be submitted at the same time. The schedule of events on page 6 indicates that they are. However, instructions on pages 11 and 12 indicate differently. Please clarify.

Answer 1: The Statement of Qualifications and Technical Approach are to be submitted at the same time, no later than 04/15/2019 at 2:00PM. In print form, a shared envelope with each submittal under separate cover pages is allowed. In electronic form, one USB key with two separate PDFs saved is preferred.
